### Auditor's Responsibilities for the Audit of the Standalone Financial Results

- 8. Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.
- As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the standalone financial results,
    whether due to fraud or error, design and perform audit procedures responsive to those
    risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our
    opinion. The risk of not detecting a material misstatement resulting from fraud is higher
    than for one resulting from error, as fraud may involve collusion, forgery, intentional
    omissions, misrepresentations, or the override of internal control.

#### Notes:

- The standalone financial results have been prepared in accordance with Indian Accounting Standards ('Ind AS'') notified under the Companies (Indian Accounting Standards) 1 Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016 read with the relevant rules issued thereunder and other accounting principles generally accepted in India. Any application guidance/clarification/directions issued by the Reserve Bank of India or other regulators are implemented as and when they are issued/applicable.
- In accordance with the RBI Circular No. RBI/2021-22/17 DOR.STR.REC.4/21.04.048/2021-22 dated April 7, 2021 and the methodology for calculation of interest on interest based on guidance issued by indian Banks' Association, the Company has put in place a Board approved policy to refund / adjust interest on interest charged to borrowers during the moratorium period, i.e. March 1, 2020 to August 31, 2020. Company has estimated the said amount and made a provision in the standalone financial results for the year ended March 31, 2021. As on March 31, 2021, Company holds a specific liability of Rs 550 lakhs which is debited to interest income to meet its obligation towards refund of interest on interest to eligible borrowers as prescribed by the RBI.

In addition to the widespread public health implications, the COVID-19 pandemic has had an extraordinary impact on macroeconomic conditions in India and around the world. During the year, people and economies around the world, witnessed serious turbulence caused by the first wave of the pandemic, the consequent lockdowns, the gradual easing of restrictions and the emergence of new variants of the virus. The first Quarter of financial year 2020-21 was worst affected due to pandemic. However, there was an economic recovery in Quarter 2nd and Quarter 3rd of Finacial Year 2020-21 as lockdowns eased consequent to reduction in COVID-19 cases. Although government has started vaccination drive, COVID-19 cases have significantly increased in recent months due to second wave as compared to earlier levels in India. Various state governments have again announced strict measures include lockdowns to contain this spread. As COVID-19 vaccines get administered to more and more people, businesses in sectors impacted by pandemic may pick up. However, the continuing and evolving nature of the virus has created uncertainty regarding estimated time required for businesses and lives to get back to normal.

The Company continues to closely monitor the situation and in response to this health crisis has implemented protocols and processes to execute its business continuity plans and help protect its employees and support its clients. The pandemic has impacted lending business, fee income, collection efficiency etc. and may result in increase in customer defaults and consequently increase in provisions. The Company, however, has not experienced any significant disruptions in the past one year and has considered the impact on carrying value of assets based on the external or internal information available up to the date of approval of financial statements. The future direct and indirect Impact of COVID-19 on Company business, results of operations, financial position and cash flows remains uncertain. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Reserve Bank of India ('RBI') Issued guidelines relating to 'COVID-19 Regulatory Package' dated March 27, 2020 and subsequent guidelines on EMI moratorium dated April 17, 2020 and May 23, 2020. ## Kesandhamaria November addressed the leverality

#### I. Expected Credit Loss (ECL) provision in respect of Loans

(refer Note 1.4 C for accounting policy and Note 5 and 6 for ECL provision)

As detailed in Note 5 and 6, the Company has loans and investments carried at amortized cost amounting to Rs. 546,363.98 lakhs (gross) and Rs. 50,039.54 lakhs respectively as at March 31, 2020.

The Company holds ECL provision of Rs. 11,327.43 lakhs and Rs. 318.36 lakhs against such loans and investments respectively.

As discussed in note 1.4 C, ECL provision has been determined in accordance with Ind AS 109 - Financial Instruments and is significant to the standalone financial statements.

We focused on this area as determining ECL provision requires significant judgements by the management. Key areas of judgement included:

- Assumptions used in the expected credit loss provision such as the financial condition of the counterparty, probability of default, expected future cash flows, expected loss in case of default.
- The identification of exposures with a significant increase in credit risk from initial recognition of loans.

We carried out following procedures in respect to ECL provision:

- held discussions with management and obtained understanding of significant assumptions like probability of default, loss given default and exposure at default used for making assessment of ECL provision.
- Understood from the management and evaluated the design and tested operating effectiveness of controls in respect of significant assumptions like probability of default, loss given default and exposure at default including appropriate approvals and mathematical accuracy, which are used in making the assessment of ECL provision.
- Involved auditor's expert to assess the appropriateness of the assumptions and judgement made by management used to calculate ECL provision.
- Traced key data inputs used to compute the ECL provision on a sample basis to assess their accuracy and completeness.
- Ensured mathematical accuracy of the ECL provision-by-performing-recalculations-onsample basis.

Based on above audit procedures performed, we did not note any significant exceptions to Expected Credit Loss (ECL) provision in respect of financial assets.

#### II. Appropriateness of the recognition of We carried out following procedures in respect Interest Income following Effective Interest Rate Approach

Refer Note 5, 6 and 21 of the standalone finaucial statements.

The Company has recognized the interest income based on effective interest rate (EIR) approach. The total interest income recognized in current year under EIR accounting is Rs. 97,322.24 lakbs.

For computation of EIR, the Company has identified the cost and revenue (called as EIR component) which are directly attributed to the respective loan account. The Company has

income recognition as per EIR approach -

- Understood from the management and tested the design and operating effectiveness of the key controls surrounding the calculations of EIR and computation of interest income based on the same.
- For selected samples, assessed the reasonableness of key assumptions / inputs used in assessing the customers' behavior which is used for estimating

To the Members of Kotak Investments India Limited Report on audit of the Standalone financial statements Page 3 of 6

followed two approaches for treating the RIR component for the respective loans. In case of loans which are having revolving facility, the identified EIR component is amortised over the tenure of the loan on straight line basis and in case of fixed period loan, the EIR component is amortised on the basis of effective interest rate over the period of the loan.

Key inputs used in the computation of EIR, in case of fixed period loan, is impacted by the management's assumptions in respect of timing of future cash outflow (i.e. disbursement of loans).

Given the inherent subjectivity in the assumptions and the nature and extent of audit procedures involved, we determined this to be a key audit matter.

future cash out flows (i.e. disbursement of loans) in case of fixed period loan.

 For selected samples, tested the arithmetical accuracy of the calculation of EIR and amortization of interest income, over the period of the loan.

Based on available evidence and above procedures performed, we did not find any material exceptions to the recognition of interest income following EIR approach.

#### Other Information

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

# Responsibilities of management and those charged with governance for the standalone financial statements

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT

To the Members of Kotak Investments India Limited Report on audit of the Staudalone financial statements Page 4 of 6

8. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's responsibilities for the audit of the standalone financial statements

- 9. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
- 10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit
     —procedures that are appropriate in the circumstances. Under Section 143(3)(1) of the Act,
     we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- a Bvaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- 13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on other legal and regulatory requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

#### INDEPENDENT AUDITOR'S REPORT

To the Members of Kotak Mahindra Investments Limited Report on audit of the Standalone financial statements Page 2 of 6

As discussed in note 1.5 C, ECL provision has been determined in accordance with Ind AS 109 — Financial Instruments and is significant to the standalone financial statements.

We focused on this area as determining ECL provision requires significant judgements by the management. Key areas of judgement included:

- Assumptions used in the expected credit loss provision such as the financial condition of the counterparty, probability of default, expected future cash flows, expected loss in case of default,
- The identification of exposures with a significant increase in credit risk from initial recognition of loans.

- mathematical accuracy, which are used in making the assessment of RCL provision.
- Involved auditor's expert to assess the appropriatoness of the assumptions and judgement made by management used to calculate ECL provision.
- Traced key data inputs used to compute the ECL provision on a sample basis to assess their accuracy and completeness.
- Ensured mathematical accuracy of the ECL provision by performing recalculations on sample basis.

Based on above audit procedures performed, we did not note any significant exceptions to Expected Credit Loss (ECL) provision in respect of financial assets.

#### II. Appropriateness of the recognition of Interest Income following Effective Interest Rate Approach

Refer Note 5 and 19 of the standalone financial statements.

The Company has recognized the interest income based on effective interest rate (EIR) approach. The total interest income recognized in current year under EIR accounting is Rs, 91,536.86 lakhs,

For computation of EIR, the Company has identified the cost and revenue (called as EIR component) which are directly attributed to the respective loan account. The Company has followed two approaches for treating the EIR component for the respective loans. In case of loans which are having revolving facility, the identified EIR component is amortised over the tenure of the loan on straight line basis and in case of fixed period loan, the EIR component is amortised on the basis of effective interest rate over the period of the loan.

Key inputs used in the computation of EIR, in case of fixed period loan, is impacted by the management's assumptions in respect of timing of future cash outflow (i.e. disbursement of loans).

Given the inherent subjectivity in the assumptions and the nature and extent of audit procedures involved, we determined this to be a key audit matter.

We carried out following procedures in respect income recognition as per EIR approach -

- Understood from the management and tested the design and operating effectiveness of the key controls surrounding the calculations of EIR and computation of luterest income based on the same.
- For selected samples, assessed the reasonableness of key assumptions / inputs used in assessing the customers' behavior which is used for estimating future cash out flows (i.e. disbursement of loans) in case of fixed period loan.
- For selected samples, tested the arithmetical accuracy of the calculation of EIR and amortization of interest income, over the period of the loan.

Based on available evidence and above procedures performed, we did not find any material exceptions to the recognition of interest income following EIR approach.

#### Other Information

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact,

We have nothing to report in this regard,

## Responsibilities of management and those charged with governance for the standalone financial statements

- 6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 7. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's responsibilities for the audit of the standalone financial statements

8. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

#### INDEPENDENT AUDITOR'S REPORT

To the Members of Kotak Malindra Investments Limited Report on audit of the Standalone financial statements Page 4 of 6

- As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
     The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit,
- 11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- 12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation procludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). ## Auditors' Responsibility

- 3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by ICAI. #### Meaning of Internal Financial Controls with reference to standalone financial statements

6. A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

## Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

7. Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The pandemic has impacted lending business, fee income, collection efficiency etc. and has result in increase in customer defaults and consequently increase in provisions. The Company, however, has not experienced any significant disruptions during the pandemic and has considered the impact on carrying value of assets based on the external or internal information available up to the date of approval of Interim financial results. The future direct and indirect impact of COVID-19 on the Company's business, results of operations, financial position and cash flows remains uncertain and will depend on present as well as future developments, including steps to contain its spread or mitigate its impact. The interim financial results for the quarter ended December 31, 2021 do not include any adjustments that might result from the outcome of this uncertainty.
